

Chinese Cultural Relics

Official translation of the award-winning Chinese journal *Wenwu*

Chinese Cultural Relics is the official English translation of the prestigious award-winning Chinese archaeology journal *Wenwu* (Cultural Relics). Published since the 1950s, *Wenwu* is well known in China and abroad for its quality articles and in-depth reporting of Chinese archaeological surveys and fieldwork. Until the publication of *Chinese Cultural Relics*, the information presented in this key resource has only been accessible to those who can read Chinese.

Each issue of *Chinese Cultural Relics* contains select content from recent issues of *Wenwu*. In addition to high-quality translation, each article includes the same detailed photographs and beautiful hand-drawn illustrations as in the Chinese publication.

Chinese Cultural Relics covers a wide range of topics, including: new archaeological findings, research & exploration, archaeological preservation, bronze wares, ceramics, ancient seals & currency, grottoes & statues, bamboo slips & documents, museum exhibitions, ancient towns & villages, inscriptions & epitaphs, and archaeology of science & technology.

Chinese Cultural Relics is indexed in: AATA Online: Abstracts of International Conservation Literature (select content), Ancient Chinese Civilization Bibliography, Bibliography of Asian Studies, MLA International Bibliography
