

The Current Digest of the Chinese Press

Unique insight into Chinese press coverage of domestic and international affairs, in English

Each week, *The Current Digest of the Chinese Press* presents the reader with a digestible collection of Chinese press materials, all in English. Selected articles cover a wide variety of topics, such as politics, international relations, security, economics, business, public health, environment, education, culture and more. The *Current Digest's* mission is to provide the reader with a comprehensive, broad picture of the news published in China, be it domestic, international or related to other states of the Asia Pacific region. *The Current Digest of the Chinese Press* offers all readers, regardless of Chinese language ability, a much clearer and more robust view of the current Chinese reality and is a great addition to any English-language resource collection.

Note: The Current Digest of the Chinese Press is available online only (ISSN 2162-2566).
