

# International Affairs

## A Russian Journal of World Politics, Diplomacy and International Relations

Offering unique, first-hand analysis of major foreign policy and security issues facing Russia and other former Soviet republics, this internationally renowned journal is the English translation of the Russian-language journal *Mezhdunarodnaia zhizn*, which is published by the Ministry of Foreign Affairs of the Russian Federation. The editorial board of this journal is traditionally headed by the minister himself, while the journal's contributors are primarily experienced, high-ranking diplomats. As such, *International Affairs* is an excellent primary source for anyone interested in the course of Russian policy in foreign affairs. *International Affairs* often includes material from independent analysts, whose opinions may or may not differ from the official line. Roundtable discussions on topical world issues will also usually include representatives from the Russian Academy of Sciences, as well as from think tanks and universities.

Published in English by East View, *International Affairs* sheds light on issues of foreign policy and diplomacy of Russia as well as:

- Interrelations of Russia between foreign countries
- Economies and policies of neighboring states
- History of foreign relations, history of the Ministry of Foreign Affairs of Russia and the USSR
- Analysis and commentary from experts on international life
- Book reviews of relevant publications
- Memoirs, often devoted to experiences of diplomats in contested or relatively unknown episodes of international relations
- White papers from international organizations and conferences
- Previously unpublished documents on Soviet and Russian foreign policy

*International Affairs* is abstracted and indexed in: American Bibliography of Slavic and East European Studies (ABSEES), Current Contents of Periodicals on the Middle East, EBSCO Publishing Databases, Index Islamicus, International Bibliography of Book Reviews of Scholarly Literature on the Humanities and Social Sciences (IBZ), International Bibliography of Periodical Literature on the Humanities and Social Sciences (IBZ), International Political Science Abstracts, Lancaster Index to Defence and International Security Literature, Public Affairs Informations Service (PAIS), Ulrich's Periodicals Directory, and Worldwide Political Sciences Abstracts (WPSA).
